INCLEMENT WEATHER POLICY FOR SPECTATORS

When play is suspended for dangerous situations (lightning, etc...), one prolonged siren or horn blast will sound. If siren sounds, seek shelter immediately.

WELCOME

to the
10th Stan Trojanowski Northern Junior

TOURNAMENT HISTORY

The Stan Trojanowski Northern Junior was established in 2002 in memory of Stan Trojanowski, father of Cindy and Gary Trojanowski. Stan Trojanowski passed away in August, 2001 due to Mesothelioma, a form of cancer resulting from exposure to Asbestos. A golfer himself, his personality and willingness to help others will never be forgotten in the people he met both on and off the golf course.

Since its beginning, our goal has always been to provide the same championship experience and red-carpet treatment that the best national events around the country offer. We have worked hard to integrate special amenities not seen at most tournaments, such as live tournament scoring, on course leaderboards, standard bearers, and up to the minute updates on our website.

The Stan Trojanowski Northern Junior is open to amateur Boys and Girls who have not reached their 19th birthday and have not entered college by the date of the event. Applications are available both online and for print.
